Suggestions for improving the evening:

- PAFs to do tea and coffee
- Looking at children's books to understand ARE
- To be kept up to date with nationally changes etc rather than just at a special evening
- Very clear information given – made much more sense after the evening
- Spot on. Thank you for 'owning' that you haven't got all the information yet from the gov. etc. it helps to relieve our anxiety.
- Thank you for sharing what you know and what we do not know yet.
