

Strategic Priorities for 2015/16, focusing on Outcomes for all groups of pupils

Leadership & Management

1) Implement a robust assessment and tracking system to set challenging targets and monitor progress to improve pupil outcomes

2) Strengthen the process of school evaluation and strategic planning and ensure clarity of leaders' roles at all levels in this

3) Ensure governors' maximum understanding of school's effectiveness and hold leaders to account accordingly

Teaching, Learning and Assessment

4) Develop effective use of AfL to ensure that all children make good or better progress

5) Strengthen the quality of feedback to pupils to ensure it makes an impact on their learning

6) Ensure lesson structure and differentiation provides support and challenge for all pupils

Personal Development, Behaviour and Welfare

7) Clarify and then raise levels of high quality pupil behaviour for learning

8) Ensure pupils are safe and feel safe at all times and understand their own role in this
